PERTH WESTERN AUSTRALIA

2015 WEDNESDAY RIDE CATALOGUE LATE START GROUPS L1 - L5

© Over 55 Cycling Club Inc.

Important Notes

These routes have been extracted from the 2b&c, 3A,B,C and 4&5 ride catalogues. As well as the rides on the program there are some additional routes from venues where the program lists "Leader's Choice".

These routes are a guide only. Many were first compiled some years ago and changes to roads or traffic conditions may make parts less suitable. Ride leaders are encouraged to vary the route if they know a better alternative.

Recommendations for modifications or corrections to existing routes, or proposals for new routes, should be submitted to the Ride Captain for inclusion in future revisions of the catalogue.

Please help keep the catalogue current.
